7. We still are in desperate need of someone to volunteer at Anderson Park this year. There are a handful of simple duties to be completed regularly to ensure

Anderson Park is maintained for our residents to enjoy. If you would be willing to assist with these tasks please inquire with Mark at the office.

8. Please be advised, in accordance to the bylaws you must seek board approval on buildings and/or sheds. There are guidelines that must be followed set by both the county and the association and the only way to ensure these are followed is to have these projects reviewed and approved. The board appreciates your cooperation with this.
9. The board will be making a change to how the monthly meetings will operate. Discussion items will need to be added to the agenda one week prior to the meeting. The board would like to be able to post the agenda prior to meetings as well as limit the 'open forum' flow of the meetings.
